Culinary tools from the Allgäu region

Good food can connect people, make them proud and inspire them. To put it simply: good food makes people happy. No matter whether you're pushed for time or whether you want to truly celebrate the cooking experience. No matter whether you're strictly following a recipe or whether you're following your intuition. Rösle offers clever solutions for your kitchen and your barbecue to support you on your culinary mission.

Picturesque scenery, traditional craftsmanship, excellent food. With its hospitality as well as its directness and honesty, the Allgäu region has always been at the core of the Rösle brand. Gourmet tools from the Allgäu – that's our promise to develop products that make cooking every day a true pleasure and will help you enjoy daily life with family, friends and acquaintances. For that holiday feeling at home. Sturdiness, ease of use and durability thanks to sustainable quality are the criteria by which we like to be measured.

True eating enjoyment. RÖSLE.

INFO

The selective use of recycled metals in the PUREELEMENTS series is Rösle's way of actively contributing to sustainability. All products are made from at least 90 % recycled metal, which conserves valuable resources.

Serving pan PUREELEMENTS ProResist

- Premium non-stick seal with incorporated silicon carbide particles
- Extremely robust and allows the use of stainless steel utensils
- Dishwasher-safe
- Suitable for electric, ceramic, gas and induction stove as well as oven

Art.no. 132130 | Ø 28 cm

Serving pan PUREELEMENTS ProCeraPlus

- Premium ceramic coating for low-fat frying
- Robust, mineral-based coating with ideal non-stick properties
- Natural quartz coating without PTFE/PFAS
- Suitable for electric, ceramic, gas and induction stove as well as oven

Art.no. 132131 | Ø 28 cm

Wok PUREELEMENTS ProCeraPlus

- Premium ceramic coating for low-fat frying
- Robust, mineral-based coating with ideal non-stick properties
- Natural quartz coating without PTFE/PFAS
- Suitable for electric, ceramic, gas and induction stove as well as oven

Art.no. 132132 | Ø 32 cm

Wokpan PUREELEMENTS ProCeraPlus

- Premium ceramic coating for low-fat frying
- Robust, mineral-based coating with ideal non-stick properties
- Natural quartz coating without PTFE/PFAS
- Suitable for electric, ceramic, gas and induction stove as well as oven
